

... "THESE WHO HAVE TURNED THE WORLD UPSIDE DOWN HAVE NOW COME HERE" ... ACTS 17:6 NKJV

30 **YEAR** 1995
2025

FROM OUR Pastor

It's hard to believe. But here we are — three decades into a story only God could write.

Whether you've been here since the very beginning or you're flipping through these pages for the first time, this moment is worth pausing for. Because this isn't just a look back — it's a celebration of what God has done *through ordinary people like you*. Through simple acts of faith. **Through bold steps of purpose.** Through invitation, service, generosity, and love.

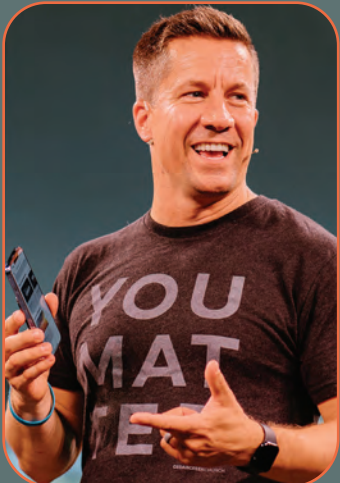

It's wild to think that what started in a room at a Holiday Inn in 1995 has become a multi-campus movement that's still growing, still reaching people with the Gospel and still saying loud and clear: **You Matter.**

As you read, I hope you're encouraged by the faithfulness of God. And more than anything, I hope you're inspired to keep going — to keep building, believing, inviting, and making a difference.

Because it does.
It has.
And it will.

OUR Impact

Every day, ordinary people like you are the story God is writing. Countless lives have been changed through a personal relationship with Jesus, and we celebrate the life-changing adventure to *Know God, Find Freedom, Discover Purpose, and Make a Difference*. God has multiplied the impact beyond anything we imagined — all because people like you said "yes" to his invitation. We're part of something eternal and every story is because of him. And we believe he's just getting started...

OUR Outreach

At CedarCreek, we're all about helping people take steps on the spiritual journey. But it's not just about those already walking through our doors — it's about the countless others who haven't yet experienced the life-changing grace of God.

That's where outreach comes in.

Outreach is how we become the hands and feet of Jesus, sharing his love in real, practical ways — locally, nationally, and around the world. And here's the beautiful part: when we serve others, God doesn't just work in them — he works in us too. Outreach grows our faith and reminds us what it means to truly live out his mission.

We've seen God do incredible things through outreach — lives changed, communities impacted, and hearts drawn closer to him. And we believe he's just getting started...

OUR NEXT Generation

The Gospel is powerful and capable of changing lives at any age or stage, but when a person says, "yes" to Jesus at a young age, they're primed for a lifetime of impact!

30 years into the story of CedarCreek, we have the honor of seeing this sort of generational impact right in front of us. We see children who follow Jesus grow into students who make a difference. And then they become adults who raise their own children to take steps on the life-changing adventure! Our church exists today because an earlier generation invested in us. We're committed to continue investing

in the next generation
because he's just
getting started...

VISION FOR OUR Future

For 30 years, we've watched God do what only he can do — change lives, heal hearts, restore hope, and build something far greater than any one of us could build on our own. And through it all, one thing has remained true: **God is not done.**

The story of CedarCreek isn't a monument to the past. It's a movement that continues to grow. Every life changed is a reminder that this is only the beginning.

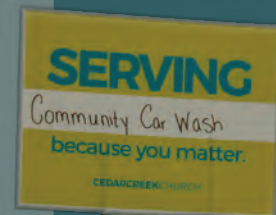

We believe the local church is the hope of the world, and we're committed to taking that hope to more people in more places. That's why we're actively praying and planning to launch new campuses.

But this isn't about buildings. It's about people who matter deeply to God.

That's where you come in.

You have a part to play in what's next. The future of our church isn't resting on a few — it's built through the collective steps of many.

What's your next step?

Pray

Ask God to stir hearts in new communities and open doors.

Give

Every dollar invested fuels the mission for people to encounter Jesus — through weekend services, online content, kids and student ministries, or a brand-new campus.

Join the Team

This movement is built by people like you — serving, leading, inviting, and loving others well. There's a place for you to help shape the future of our church.

The early church in Acts 2 reminds us what's possible when ordinary people unite with extraordinary faith and devotion. That kind of movement turned the world upside down — and it still can today.

So let's keep building. Let's keep inviting. Let's keep reaching beyond ourselves. **Because the best is yet to come.**
