## BIBLICAL TEACHING

In CedarVille, children are taught to understand and apply Biblical principles through **music, teaching, activities** and **small group discussions**. We love sending you home with information about what your child learned to help create great **CONVERSATIONS** with your whole family throughout the week!

When children are checked-in, they receive a nametag, including an alpha-numeric code. You receive a **tag with the SAME code**. You must present your portion of the tag when picking up your child. If your child needs you during the service (for a diaper change, if they really miss you, or another unforeseen circumstance arises), you will be paged via the visual pager **in the auditorium**. Keep your **eyes peeled for your code!**

## SAFETY FIRST

Keeping **children SAFE** is one of our **PRIMARY concerns!** All of our rooms are staffed by at least two volunteers who have completed applications, interviews and background checks.

## GOOD HEALTH

All **toys** and surfaces are **cleaned** and disinfected before children arrive. Children who have shown signs or symptoms of a fever or any contagious disease within the past 24 hours should not be brought to CedarVille. Thanks for helping us keep **children HEALTHY!**

## PASSIONATE VOLUNTEERS

We are always looking for **fun, caring, committed people** who are excited about connecting with kids! If you are passionate about the next generation and interested in helping shape the faith of a child, please talk with a Kids Staff Member about our **VOLUNTEER** opportunities!
