

CHRISTMAS VISION DOC

Dec 22-24, 2023

Focus: Share the good news of Christ's birth and what it means for us today

Invite Pitch: Is there any holiday that compares to Christmas? Between the decorations, traditions, gift-giving, movies, gatherings, music and feelings that build towards Christmas, it's unlike any other holiday. Or really any other season we experience all year long! For some of us that's why we have a countdown to the day; for others, we'd rather fast forward through it. Love it or hate it, we can probably agree that this time of year has a tendency to either be overloaded or underwhelming. We want the magic, joy, and peace that Christmas promises, but can often feel swept away in "all the other things" that get in the way. Can we let you in on a little secret? This Christmas will feel the same if we don't do anything different. This year we have dedicated space for you, for your friends and family to take a little time to stop, look up, and remember what it means to believe. Will you join us?

Topic for Weekend: Stop. Look Up. Believe.
