

Church at Home 2024 VISION DOC

Dec 28/29

Focus: To help people reflect on the past year and prepare for the new one

Invite Pitch: We kind of don't want the holidays to be over, but we also can't wait to get back to normal either. There's talk of resolutions and doing things differently next year, but we can't help thinking of the past year that still lingers. Maybe it's a signal of the in-between time we're in. What if God has something for you and me in this in-between? Maybe it's even key towards how we move forward. Join us online at our regular service times, or on-demand whenever and wherever the New Year's weekend takes you, for Church at Home.

Students are encouraged to watch the main service with families.

FAQ:

Why no physical services?

We value regular weekly church engagement with a full DreamTeam to open our doors! Over the holiday week and weekend, we want to provide our DreamTeam and staff a break and time with their families. We will return to physical in-person services Jan 4/5.
