

COUNSELING REFERRALS

At CedarCreek Church, we understand that life is difficult and at times can be overwhelming. It's during those times that you may wonder if you matter to anyone! We want you to know that you do; you matter to God and you matter to us!

We realize that there are times when you may be looking for help with some of life's challenges and wondering which direction to turn. While our Care Pastors and Campus Pastors are willing to meet with you a time or two to give spiritual and pastoral guidance, they are not professional counselors. So, to better serve you, CedarCreek Church has put together a list of resources to help you in your search for a professional Christian counselor in the area.

We know that finding the right counselor is extremely important and hope this helps you in this process. We have provided this list as a starting point and encourage you to do your own personal screening by researching their websites and contacting them for information on each counselor and the specific services they provide.

Please Note:

We are referring you to the individual counselors listed in this booklet, as we have met with them and know they are Christians. We are not endorsing the counseling centers or the groups with whom these counselors are associated, unless specifically noted in this booklet. CedarCreek Church is not liable for the beliefs, actions, or counseling of these professionals. We encourage and appreciate any feedback.

To speak with one of our Care or Campus Pastors, or if we can be of further assistance, please call our office at 419.661.8661.
