

COUNSELING REFERRALS

CEDARCREEKCHURCH 

At CedarCreek Church, we understand that life is difficult and at times it can be overwhelming. It's during those times that you may wonder if you matter to anyone. We want you to know that you do; you matter to us and you matter to God!

We realize that there are times you may be looking for help with some of life's challenges and wondering which direction to turn. While our Care Pastors and Campus Pastors are willing to meet with you a time or two to give spiritual and pastoral guidance, they are not professional counselors. So to better serve you, we have put together a list of resources to help you in your search for a professional Christian counselor in your area.

We know that finding the right counselor is extremely important and hope this helps in this process. We have provided this list as a starting point and encourage you to do your own personal screening on each counselor by researching their websites and contacting them for information on the specific services they provide.
