#### Series Vision Doc: Get Me Outta Here (Feb 19/20-March 12/13)

**Series Focus:** Helping people see God's hope for when we feel stuck.

**Tagline:** Finding hope when you feel stuck

**Feel:** Not a get me outta here dark and desperate, but get me outta here with a more fun, inviting, don't-we-all-just-wanna-get-outta-NW OH-right-about-now kind of feel. Hopeful. Think humorous trending TikTok video

**Why:** End of February is a tough season in our area. It's still winter, still cold, still dark, we're waiting for spring but it still feels a long way off. There's not much to look forward to, so we want to have an inspirational series that plays off what we're all naturally feeling but bends it towards encouragement and hope.

**Invite Pitch:** : "Is there a season any more *Get Me Outta Here* in NW OH than right now? We need sunshine, ASAP! There are times in our lives that give us those get me outta here feelings too, and it's not about the weather. We're stuck! Maybe it's stuck in an awkward conversation or moment. Other times it's stuck in an impossible situation. That's when we find ourselves looking for any way out—even hope that there *is* a way out, and it can't come fast enough. Using the book of Daniel, we'll see how to find the hope God provides; and not just to rescue us from a life of feeling like *Get Me Outta Here* today, but also towards his eternal promise that the best is yet to come.

**Theme verse:** Daniel 10:19 "Don't be afraid," he said, "for you are very precious to God. Peace! Be encouraged! Be strong!"

#### Goals:

### What next steps will we ask people to take?

- 1) Participate in "Hope it Helps!" campaign
  - Staff and DreamTeam Leaders provide encouragement, help and hope to DreamTeam members and guests
  - o Guests invited to do the same for someone else:

- Vision: do something intentional to provide encouragement, help and hope to someone when they are somewhere they don't want to be or are experiencing a get me outta here moment:
  - Examples: coffee spilled in their car, deliver a new coffee right to their door. Dinner was ruined for the night - step in and have dinner delivered. Their day has not gone well, you deliver flowers. These are intentional moments where we see someone is somewhere they don't want to be and we do something for them to provide hope and help.
- We'll develop a list of ideas some low cost, some without cost and encourage guests to be looking for opportunities to do this
- We'll also provide an opt-in text campaign to encourage what to look for, as well as include it in the LIO.
- Guests encouraged to do 4 over the course of the 4-week series.
- Campuses can use their Campus Event Budgets or PEA's
- 2) Attend and complete GrowthTrack: Gives us the hope of living a life full of purpose
