PART I – EMPLOYMENT

EQUAL EMPLOYMENT OPPORTUNITY

CedarCreek Church is committed to providing equal opportunity in employment to all qualified employees and applicants for employment. No employee or applicant will be discriminated against on the basis of race, genetics, color, national origin, age, ancestry, veteran status, marital status, disability or other factors prohibited by state and federal laws. CedarCreek Church does reserve the right to discriminate based on religion, including (but not limited to) doctrinal beliefs, personal conduct, and lifestyle. This policy applies to all aspects of the employment relationship (including but not limited to) application and initial employment, promotion and transfer, selection for training opportunities, wage and salary administration.

Consistent with this policy, CedarCreek Church will not tolerate any unlawful, discriminatory behavior. Any employee who feels that he or she is the target of discrimination should report the event to the Human Resources Department or a member of the Executive Team immediately.

EMPLOYMENT AT WILL

While CedarCreek Church hires individuals with the hope that the employment relationship will be long and mutually rewarding, all employees are employed at will. Both CedarCreek Church and its employees are free to terminate the employment relationship at any time, with or without written notice. This employment-at-will relationship may not be modified by any oral or implied agreement. No representative of CedarCreek Church may enter into an agreement with you guaranteeing employment for any specified period of time unless such agreement is in writing and approved the Executive Team.

CEDARCREEKCHURCH Handbook

EMPLOYMENT

These categories and classifications determine eligibility for benefits and the applicability of certain policies and practices.

Categories of Employment

Exempt Full-Time/Salaried Employees:

- Are budgeted and scheduled to work as a 30-hour, full-time employee or a 40-hour, full-time employee, per week on a regular basis. All full-time employees working over their base schedule requirements are thanked for their commitment and effort but are not to be compensated additional pay or time off unless approved by their Executive Director.
- Are eligible for all CedarCreek Church benefits.
- Please Note: Certain ministries expect their full-time employees to be on-site during all services on specific weekends or for special events.

Non-Exempt Full-Time/Hourly Employees:

- Are budgeted and scheduled to work at least 30 hours as a 30-hour, full-time employee or at least 40 hours as a 40-hour, full-time employee, per week on a regular basis. All non-exempt full-time employees cannot exceed working over their base schedule of 30 or 40 hours without prior approval from their Executive Director.
- Are eligible for CedarCreek Church benefits.
- Please Note: Certain ministries expect their full-time employees to be on site during all of the weekend services during special events. Discuss with your Supervisor how you can arrange your hours to accommodate any special events.

Part-Time Employees:

- Are budgeted and scheduled to work 5-24 hours, per week on a regular basis, as agreed upon at hiring.
- Are eligible for certain CedarCreek Church benefits.
- Please Note: All part-time employees working over their base schedule requirement are to be compensated with additional pay. These hours are to be approved by the Executive Director.

CEDARCREEKCHURCH Handbook

Part-Time Casual Employees (Temporary Status):

- Will have varied hours for a specified time.
- Are not eligible for CedarCreek Church benefits.
- Please Note: Schedules are not guaranteed and are subject to change based upon church needs and department requirements.

Interns/Support-Raising Employees:

- Are hired to work on a particular project or for a specific period of time.
- May work full-time or part-time schedules.
- Are not eligible for CedarCreek Church benefits.

All employees are encouraged to volunteer at CedarCreek Church or with a ministry associated with CedarCreek Church (e.g. Serving or leading a Group). These volunteer hours are not to be compensated and the volunteer work must be different (types of tasks) from the work performed by the employee's paid position work.

BACKGROUND CHECK

CedarCreek Church reserves the right to require every new employee to have a background check, completed at our cost and discretion, prior to an offer of employment and throughout their employment.

PERFORMANCE MANAGEMENT & SALARY REVIEW

Performance Orientation

CedarCreek Church believes that successful performance begins with clear communication and understanding of expectations. Therefore, a performance orientation review, including a review of the job description, will be conducted by the Supervisor with every new employee and all internal transfers within the first week of their placement into the position. This will ensure that a good working dialogue is established from the onset between the Supervisor and the employee. It will provide the Supervisor with an opportunity to explain what is expected in the position concerning specific job responsibilities, performance criteria, and what the employee can expect from their Supervisor.

CEDARCREEKCHURCH Handbook

Performance Evaluations and Self-Evaluations

You and your Supervisor will conduct evaluations of your performance. This review process formalizes the discussions and feedback that should occur regularly between you and your Supervisor throughout the year. Performance evaluations will be conducted as follows:

- After three months of employment for all new hires
- Annually for all staff

The annual performance evaluation provides an opportunity for you and your Supervisor to:

- Evaluate performance factors (talk about some of the great things accomplished in the previous year)
- Establish goals for the year (talk about initiatives you would like to try)
- Discuss developmental goals (items to change or work on) and objectives (talk about your dreams)
- Update job descriptions

Progressive Discipline Policy

CedarCreek Church wants to provide a good working environment for all employees. In turn, it is reasonable to expect a good, productive effort and the recognition of responsibility from all employees.

Each of us has the responsibility to our fellow workers to conduct ourselves according to certain rules of good behavior and conduct. In any business, some rules are needed to help everyone work together by letting them know what they can and cannot do. We expect our employees to follow CedarCreek's rules and show good behavior and efficiency.

However, when it becomes necessary to improve an employee's unacceptable performance or behavior, our Progressive Discipline Policy enables us to do so in a fair and consistent way. These steps are taken after prior attempts at coaching with no change in results. Normal steps in the disciplinary process are outlined below and should utilize the Coaching/Corrective Communication Form (appendix C). For each step, the employee will be asked to sign the form, indicating receipt of a copy of the form, and a copy will be placed in the employee's personnel file.

CEDARCREEKCHURCH Handbook

1. **VERBAL CORRECTION:** The Supervisor will provide a verbal correction to the employee. A written record of this verbal correction will be placed in the employee's personnel file. These corrections must state the specific behavioral issue and the expected correction in a specific timeframe.
2. **WRITTEN CORRECTION:** If the employee does not correct his or her behavior, the Supervisor will consult with higher management and prepare a written correction.
3. **SUSPENSION WITH OR WITHOUT PAY:** If the verbal and written correction does not correct the problem, the employee may be suspended with or without pay. This suspension must have the approval of the Executive Team.
4. **TERMINATION:** When all other means of discipline have been used, or when the offense justifies such actions, the employee may be terminated. The Supervisor may recommend termination of employees. Recommendations will be reviewed by the Executive Team, who will determine the action to be taken. If the employee feels the termination is unfair, he or she may request a meeting with HR to discuss the termination. Based on this discussion, the Board will make a final determination in the case.

The Executive Team reserves the right at any time to enter into any level of disciplinary action or termination based upon the severity of the offense requiring discipline and the employee's past work record.

SALARY REVIEW

Your salary will be reviewed at the time of your annual performance evaluation. A performance evaluation/salary review may not necessarily result in a salary increase. If a salary increase is approved, it will be put in effect according to CedarCreek Church's budget.

To determine salary adjustments, the Executive Team will consider:

- Your performance versus agreed upon objectives
- Current salary ranges for employees
- CedarCreek Church financial conditions

CEDARCREEKCHURCH Handbook

HIRING & PLACEMENT OF RELATIVES

If you have a relative who is properly qualified, you may recommend him or her for employment at CedarCreek Church. Relatives of employees will receive the same considerations as any other applicant for a job opening and will not be accorded preferential treatment in employment matters.

CedarCreek Church reserves the right to restrict the number of relatives working in a specific department or closely related areas in order to reduce the risk of disruptions to the ministry as well as conflicts of interest.

CedarCreek Church may require a related employee to transfer or resign if there is a conflict of interest, a potential risk of ministry disruption or management problem of supervision that cannot be resolved.

RESIGNATION & EXIT INTERVIEW

Giving Notice

As a courtesy, if you decide to leave the employment of CedarCreek Church, you will be asked to provide:

- A minimum of two weeks' notice
- A written letter of resignation

CedarCreek Church reserves the right to forego your two weeks' notice and release you from employment immediately. CedarCreek Church is not obligated to pay you in lieu of notice.

Exit Interview

When you give your notice, Human Resources will arrange a time convenient for both parties to conduct an exit interview.

The interview will allow you the opportunity to:

- Discuss your experience at CedarCreek Church
- Turn in any CedarCreek Church property; i.e. keys, computers, fob
- Suggest ways CedarCreek Church might improve its management, training, and other functions

CEDARCREEKCHURCH Handbook

You will be paid in full through your last day worked; however, CedarCreek Church reserves the right to deduct from the final paycheck specific sums of money owed to CedarCreek Church at the time of termination for equipment or property that has not been returned.

If you have coverage, your medical, employer paid short/long term disability and life insurance benefits cease on the date of your resignation/termination. You may continue your participation in CedarCreek Church medical insurance under COBRA. During your exit interview, you will be provided with detailed information concerning any benefits that are impacted by your separation from employment.

Under the Federal Unemployment Tax Act (FUTA), churches are exempt from unemployment taxes, which means church employees are not eligible to receive unemployment benefits.

REHIRES

Employees who have resigned in good standing may re-apply for vacant positions with CedarCreek Church and will be given the same consideration as other equally qualified candidates.

PERSONNEL FILES

CedarCreek Church maintains a personnel file on each employee.

Updating Personnel Information

It is important that you notify the Human Resources Department immediately if you have changes to your name, address, telephone number, emergency contact or beneficiary information. It is the employee's responsibility to furnish this information.

Reviewing Your Personnel File

You may review your personnel file during normal business hours in the Human Resource Department in the presence of the Human Resources Director.

Receiving a Copy

You may obtain a copy of your personnel file at any time by simply submitting a written request to the Human Resources Director.

Making a Correction

If you believe that any information in your file is incorrect, you may request a correction. If CedarCreek Church does not agree with the correction, you may submit a written statement explaining your position. This statement will become a part of your personnel file.

CEDARCREEKCHURCH Handbook

PART II – WORK SCHEDULES & PAY ADMINISTRATION

WORK SCHEDULES & HOURS WORKED

The employee's Supervisor in collaboration with their Senior Director and Executive Director determines work schedules. Each position at CedarCreek Church is assigned a minimum number of normally required work hours per week. However, the Executive Director of Ministry Services and Department Executive Director may choose to change a part-time employee's work hours periodically (up or down) based on the church's need for the part-time employee's normal workload. Pay periods are designated as Monday through Sunday.

PAYROLL & TIMEKEEPING RECORDS

The workweek at CedarCreek Church is Monday through Sunday. Employees are paid every other week; therefore, there are 26 pay periods per year. CedarCreek Church processes payroll through direct deposit. Employees receive pay for time that is worked and paid time off (PTO), as well as time for sickness, bereavement, holiday, or jury duty.

Timecards are CedarCreek Church records and must be exercised with care to ensure the accurate recording of hours worked, paid time off taken and absences. The Department of Human Resources is responsible for processing timecards through the payroll system.

Employees are responsible for recording their work time each day in the manner specified by the CedarCreek Church.

Supervisors must review, edit (as appropriate), and approve the timecards for employees under their supervision by noon the following Monday after the last day of the payroll period. An exact recording of hours used as paid time off or other absences must be on the time sheet. Any exceptions should be documented and communicated to the Payroll Department in a timely manner.

CEDARCREEKCHURCH Handbook

PART III – TIME OFF

PAID TIME OFF (PTO)

It is important to take and enjoy time off for physical and mental well-being. Therefore, all employees are expected to schedule their paid time off (PTO) on an annual basis. PTO for the following year is accrued after payroll processes the first week of January each calendar year. PTO must be used by the last day of the last pay period of the year and does not carry over into the next year. Please review the payroll calendar posted on Creek Help for the last pay period of the year. This process is automated in our payroll software.

After 5 years of full-time employment, employees will earn an additional week of PTO. This additional time accrues the first week of January after your fifth year.

Employee PTO is determined using the following schedule:

Paid Time Off					
Weekly Hours Worked	# of Hours Employed 0-5 years	# of Hours Employed 5+ years	Hire Date Jan 2-Apr 30	Hire Date May 1- Aug 31	Hire Date Sept 1- Dec 31
40	176	216	128	72	16
30	132	162	96	54	12
24	106	106	77	43	10
20	88	88	64	36	8
15	66	66	48	27	6
12	53	53	38	22	5
10	44	44	32	18	4

PTO Pay Out

For employees resigning employment during the calendar year, the PTO hours to be paid will be calculated as follows: percentage of the year worked at the time of resignation, multiplied by the total annual PTO minus total hours used. For example, if an employee decides to resign at the end of June in a given year, they will be eligible for 50% of total PTO hours minus any used PTO hours.

Note: Once an employee and their Supervisor have set the employee's last day on staff, no PTO hours can be used by the employee. CedarCreek will pay out any remaining PTO in the employee's last paycheck per our employee handbook.

CEDARCREEKCHURCH Handbook

Scheduling Paid Time Off

When determining whether to request PTO, employees should consider their ideal workweek. One's ideal workweek is their weekly work rhythm as defined by the individual and their Supervisor, Sr. Director, and/or Executive Director.

To help employees determine what their ideal workweek is and when to request time as PTO, we have established these values:

Not all hours are created equal.

Being present and available during certain hours is going to be more valuable and important than other hours. For example, hours answering emails at 2:00 am doesn't have the same impact as hours at a weekend service.

Some questions to consider for this value are:

- What does "Better Together" look like as part of my team?
- What is my ideal workweek?
- Am I available at the times my team needs me to help us be "Mission Driven" together?

Don't take a ride on the fair bus.

We all have different responsibilities and schedules, so don't compare and think "that's not fair." For example, Campus Teams have different responsibilities and schedules than Central Support.

Some questions to consider for this value are:

- How can I take responsibility for myself and my ability to be "Mission Driven"?
- Am I doing everything I can to maximize my workweek?
- How can I take responsibility for myself and my ability to "Take Growth Personally"?

Eliminate the cringe factor.

If an audit was taken of how your workweek was spent, you should be proud of how you maximized your time. For example, leading into Easter or Christmas are not ideal times for rest and relaxation.

Some questions to consider for this value are:

- How am I adding value to the church throughout my workweek?
- If I sat down and explained how I spent my workweek, would it show a commitment to our Cultural Values?
- Did I help our team/mission move forward today?

Certain times of the year are not ideal for taking time off. With this in mind, we have "PTO Zones" ranging from green, yellow, and red, depending on the ministry calendar. These different zones designate how convenient days are for employees to

CEDARCREEKCHURCH Handbook

request off, green being the best days for taking PTO and red being the worst. Employees should talk with their Supervisor, Senior Director or Executive Director to define the best times for the employee to request time off, depending on the individual's roles and responsibilities.

With that being said, we understand that ministry can be just as draining as it is rewarding, especially after large church events or exceptionally busy times of the year. Employees are encouraged to use PTO after such periods, in order to rest and recuperate.

Working at a church means that many of us have weekend responsibilities included in our ideal workweeks. This can be inconvenient since many people plan events and activities for the weekend. When it comes to requesting weekends off for employees with weekend responsibilities, we encourage them to follow this guideline: you can request as many weekends off as you have PTO weeks available. For example, 22 days of PTO equals approximately four weeks, meaning employees should feel free to take four weekends off during the course of the year.

Your Supervisor must approve all requests for time off. To request time off, submit your request via the payroll software in advance to the time requested. Your Supervisor will try to accommodate your requests; however, prior requests or ministry needs to take precedence.

If there is a change to an approved time off request, discuss the change with your Supervisor first. You will then delete the approved request in the payroll system and re-submit the corrected request for your Supervisor's approval.

HOLIDAYS

Full-time and part-time employees are eligible to receive holiday pay on the following designated days:

- New Year's Day
- Martin Luther King Jr. Day
- Monday following Easter
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

CEDARCREEKCHURCH Handbook

Paid holiday hours are determined using the following schedule:

Holiday Paid Time Off	
Weekly Hours Worked	Holiday Hours
40	8
30	6
24	5
20	4
15	3
12	3
10	2

*Holiday hours are considered “non-worked hours” and therefore are not included in the overtime calculation.

SICK TIME

In addition to regular PTO, all employees will receive sick paid time off based on their normal weekly hours worked.

Sick Paid Time Off	
Weekly Hours Worked	Hours
40	32
30	24
24	19
20	16
15	12
12	10
10	8

Sick time must be used for sick time only. CedarCreek will compensate an employee for time off work due to sickness or illness, including when the employee or immediate family members cannot take care of themselves. For example, when your kids are sick and there are no other options for childcare, please feel free to use a sick day to take care of your family. We trust our employees to do what is needed for the church and their families.

Regular check-ups, such as doctor appointments and dentist appointments, are not considered sick time. Employees should use PTO for such appointments or schedule them during non-work hours, such as weekends or lunch breaks.

CEDARCREEKCHURCH Handbook

Sick leave cannot be used as, in place of, or to extend PTO. However, after sick days are used, employees should use PTO for any additional sick days needed.

Sick time will be pro-rated according to the employee's date of hire per the schedule below:

Sick			
Weekly Hours Worked	Hire Date (Jan 2-Apr 30)	Hire Date (May 1-Aug 31)	Hire Date (Sep 1-Dec 31)
40	16	8	8

24	10	5	5
20	8	4	4
15	6	3	3
12	5	2	2
10	4	2	2

For employees resigning employment during the calendar year, the sick time hours will not be paid if unused.

JURY DUTY

Full and part-time employees will be paid their regular pay for time spent on jury duty. After two weeks, the Executive Team will review the compensation and benefits on a case-by-case basis, taking into consideration the circumstances of each situation.

DEATH IN THE FAMILY

In the event of the death of an immediate family member (spouse, child, parent, grandparent—this includes step-family and in-laws), CedarCreek Church will provide time off with pay according to the schedule below. Additional time off for a death in the family may be requested and granted on a case-by-case basis by the Executive Team.

Death in the Family	
Weekly Hours Worked	Hours
40	24
30-39	18
24-29	15
20-23	12
15-19	9
10-14	6

LEAVE OF ABSENCE

A leave of absence without pay may be granted to full-time employees after at least 12 months of continuous full-time employment. The leave may be granted for physical disabilities or for other personal reasons not covered under the Family and Medical Leave Act (FMLA) and will be granted at the discretion of the Executive Team. Part-time employees will be considered for leave on an individual basis. See FMLA policy for PTO usage during a leave of absence as well as holiday pay.

Maternity Leave

Full-time employees receive 6 weeks of maternity leave covered by CedarCreek Church's Short-Term Disability Plan. If there are complications with your pregnancy, the Short-Term Disability benefit provider will determine if the claim will be extended up to 2 additional weeks. Part-time employees receive no paid maternity leave.

Paternity Leave

Full-time new fathers may take up to 3 days off with pay based on the same schedule as Jury Duty pay in this version of the handbook. They may also use accrued time off that they have available (i.e. sick time or PTO) with approval of their Supervisor.

CEDARCREEKCHURCH Handbook

Family and Medical Leave

CedarCreek Church will provide family and medical leave in accordance with the Family and Medical Leave Act (FMLA). Eligible employees will be provided up to 12 weeks of unpaid leave during a 12-month period, measured forward from the date the employee's leave begins, for any of the following circumstances:

1. Because of the birth of an employee's child and in order to care for such child;
2. Because of the placement of a child with an employee for adoption or foster care;
3. In order to care for the spouse, son, daughter or parents of an employee if such spouse, son, daughter, or parent has a serious health-condition;
4. Because of a serious health condition that makes the employee unable to perform the functions of the employee's position.

For purposes of the policy, "serious health condition" is defined as illness, injury, impairment, a physical or mental condition that involves:

- Inpatient care in a hospital, hospice, or residential medical care facility; or
- Continuing treatment by a health care provider.

To be eligible for leave, an employee must have been employed for 12 months and worked 1,250 hours before leave begins. Certification of health care provider is required for all leave other than pregnancy.

During leave, the employee's pre-existing health benefits will be maintained at the level, and under the conditions the coverage would have provided had the employee's active employment continued. Upon return from leave, the employee must be restored to the same or an equivalent position with the same or equivalent benefits.

If both parents are employed by CedarCreek Church and qualify for family and medical leave, the combined leave for both persons for birth, adoption, foster placements or to care for a sick parent shall be limited to 12 weeks.

Employees must utilize at least 60% of their total accrued PTO during FMLA before taking any unpaid time. The only exception to this would be if the leave is for a work-related injury (Worker's Compensation). When using PTO/sick time an employee will be paid for any holiday hours during unpaid leave. If PTO/sick time are not being used no holiday hours will be paid.

Notice of FMLA is posted at each campus. Procedures and forms to implement this policy are maintained by the Human Resources Department.

CEDARCREEKCHURCH Handbook

MISSIONS

Any full-time or part-time employees that voluntarily go on a mission trip (one per calendar year) will be given one additional week of “mission” PTO based on their normal weekly hours for that trip. Any additional hours will require the use of personal PTO. PTO must be used for any additional mission trips in that calendar year. All mission trips must be approved by your Supervisor and Executive Director.

CONFERENCES, LEADERSHIP SUMMIT, & FUSION CAMP

We take growth personally at CedarCreek Church. As a result, sometimes employees are able to record hours for attending conferences. When a conference is approved by an employee’s Supervisor, the employee should record travel time and time spent at the conference. Free time outside of the conference should not be recorded.

All employees are also allowed to log hours for attending or volunteering at the Leadership Summit or Fusion Camp when approved by their Supervisor.

For salary employees, it is understood that some weeks will include more work hours than their ideal workweek. Weeks that include conferences, the Leadership Summit, or Fusion Camp usually fall into that category. For hourly employees, please speak with and get approval from your Supervisor on how these events may affect your designated hours and/or job responsibilities. You should have a plan with your Supervisor beforehand so everyone is on the same page with how your normal responsibilities will be accomplished without going over hours.

RETREATS & SABBATICALS

Retreats

CedarCreek Church understands that some employees may benefit from a period of time to be used to refresh or renew their spiritual walk. The benefit of a retreat will only be considered on a case by case basis. The Executive Team will review any request for a retreat and make a determination on each individual application.

Sabbatical

CedarCreek Church understands that some employees may benefit from an extended period of time to be used to pursue other interests on a full-time basis. The benefit of sabbatical will only be considered for full-time employees with at least five years of full-time service. The Executive Team will review any request for a sabbatical leave and make a determination on each individual application.

PART IV – BENEFITS

CEDARCREEKCHURCH Handbook

MEDICAL INSURANCE

CedarCreek Church is a partner in providing the best available medical coverage available at a competitive premium. A comprehensive major medical insurance policy is available to all full-time employees. CedarCreek Church provides a defined contribution towards the cost of the premium. Employees will pay any premium above what the defined contribution covers.

The details of the Medical Insurance benefit are available in Atlas Connect, our online benefits administration software.

Medical Insurance Opt-Out Reimbursement

If an employee opts out of medical insurance coverage they will receive an additional \$60.00 on their regular, biweekly paycheck as an insurance stipend.

If you are a full-time eligible employee and are covered under your spouse's plan, who is also a full-time employee of CedarCreek Church, you are not eligible for any healthcare stipend.

LIFE & DISABILITY INSURANCE

CedarCreek Church benefits include a basic Life Insurance Policy as well as a Short-Term and Long-Term Disability benefit for all full-time employees. These benefits are provided at no cost to full-time employees.

The details of the Life Insurance Policy will be explained by a representative of the insurance carrier. The master copy of the group policy is available on Atlas Connect.

Short-Term Disability: This benefit pays out 60% of your income, up to 13 weeks, in the event you become disabled from a non-work related injury or sickness, and 6 weeks for pregnancy. Please see Maternity Leave for more details on how this benefit is paid out.

Long-Term Disability: This benefit is an extension of the short-term disability benefit and will payout 60% of your income, up to \$8,000 per month.

401(K) RETIREMENT PLAN

CEDARCREEKCHURCH Handbook

Eligible employees may make contributions on a pre-tax basis to a traditional 401(K) account or on an after-tax basis to a Roth 401(K) account. CedarCreek will match 100% on the first 5% and 50% up to 9%.

All full-time employees are automatically enrolled in the plan with a 5% deduction set per their first 100 hours worked and one month of employment. Full-time employees must opt-out of the deferral if they don't want to participate in the plan.

Part-time employees (20+ hours) could reach the eligibility requirement if they work more than 1000 hours in the calendar year.

TUITION REIMBURSEMENT

For all full-time employees hired prior to July 1, 2019, CedarCreek Church offers tuition reimbursement to help offset the cost to all who enroll their children into an approved Christian school. If you are enrolling your child(ren) in an approved Christian school, Kindergarten through 12th grade, you are eligible for tuition reimbursement from the CedarCreek Church. CedarCreek Church understands and supports your need to be absent from work from time to time. However, regular attendance and punctuality are essential.

If You Are Absent From Work

Employees are expected to call or text their Supervisor no later than one-half hour before the beginning of the workday or as soon as possible to let them know that they will not be in. The employee is responsible to note their time sheet accordingly.

Employees are expected to notify their Supervisor, when possible, if they will be late. Also, the Supervisor should be notified when there is a need to leave early.

EXPENDITURE GUIDELINES

It is imperative for CedarCreek Church to remain above reproach in all financial matters. In an attempt to maintain this level of clarity, CedarCreek Church has established a policy for all expenditures and reimbursements.

Reimbursements are designed to compensate individuals for day-to-day expenses incurred that are directly related to running their ministry such as volunteer appreciation, a meeting or lunch to discuss CedarCreek Church business. Reimbursement for food and/or drink for personal and non-business related time is not appropriate. When in doubt, ask. It is recommended that you try to keep reimbursements to a minimum and if possible, try to discourage non-employees from incurring reimbursements on your behalf. Reimbursements from non-employees will need to be signed off by both the heads of that ministry or account owner.

Reimbursements for mileage are designed for specific trips made on behalf of CedarCreek Church that are directly ministry related. Mileage reimbursements are not for day-to-day errands and/or travel to and from work or voluntary events. In order to receive reimbursement for mileage, you must provide odometer verification along with the purpose of the trip.

No ministry will be allowed to exceed their available budgeted funds for either reimbursements or expenditures. Any shortage of revenue from the budgeted projection will affect the budget of individual ministries. On a regular basis, the Director of Finance will provide a breakdown of available funds for each of their ministries.

CedarCreek Church is tax-exempt. Please contact the Director of Finance to obtain this information. Employees will not be reimbursed for tax.

EMPLOYEE AUTHORIZED WORKS

CedarCreek Church, an Ohio religious and non-profit corporation, appreciates the efforts of its employees to accomplish its mission of spreading the Gospel of Jesus Christ. Many employees assist CedarCreek Church by creating resources (such as teachings, sermons, music, books, videos, and manuals) that further this mission. For this effort, we are grateful. CedarCreek Church has used these resources in meetings and distributed them into the community. We believe these resources have greatly assisted those who have received them.

CedarCreek Church seeks to stand behind the principles it promotes. All employees are loved and valued equally regardless of their job description. The Leadership wants to breakdown any barriers that may hinder its ministry, especially the creativity needed to reach out to those in our world who it will directly affect. CedarCreek Church wants to reduce any chances of competition and/or rivalries amongst its employees and to treat all employees fairly.

Realizing that God's work through CedarCreek Church is much greater than that of any individual whom He has called to serve, employees and contractors have the opportunity to freely use their special skills in furthering His work through CedarCreek Church. The following is the Intellectual Property Policy, which protects CedarCreek Church's interest in the work its employees and contractors create while under the scope of CedarCreek Church's ministry work:

All intellectual property created by employees, volunteers or contractors of CedarCreek Church, in the course and scope of their duties, will become the property of CedarCreek Church. Any and all copyrights, publishing contracts and royalties earned therein, will become the legal property of CedarCreek Church. If such efforts put forth by any worker should result in CedarCreek Church receiving any compensation of substantial value, then that compensation value received shall be considered when evaluating any compensation that may be due to the contributing worker.

These steps are necessary to protect the ministries conducted through CedarCreek Church. Anyone with questions concerning this policy should contact the Human Resources Department

EMAIL

The purpose of this policy is to ensure the proper use of CedarCreek Church's email system and make users aware of what CedarCreek Church deems as acceptable and unacceptable use of its email system. CedarCreek Church reserves the right to amend this policy at its discretion at any time. Should amendments need to be added to the policy herein, all users will be informed of such amendments in as timely a manner as possible.

Legal Risks

Email is a business communication tool and users are obliged to use this tool in a responsible, effective and lawful manner. Although by its nature email seems to be less formal than other written communication, the same laws apply. Therefore, it is important that users are aware of the legal risks of any emails they send through CedarCreek Church's email system:

- If you forward/send emails with any libelous, defamatory, offensive, racist, or obscene remarks, you and CedarCreek Church could be held liable.
- If you unlawfully forward confidential information or copy messages without permission, you and CedarCreek Church could be held liable.
- If you send an attachment that contains a virus, you and CedarCreek Church could be held liable.

By following the guidelines in this policy, the email user can minimize the legal risks involved in the use of email. If any user disregards the rules set forth in this Email Policy, the user will be fully liable and CedarCreek Church will disassociate itself from the user as far as legally possible.

Legal Requirements

The following rules are required by law and are to be strictly adhered to:

- It is strictly prohibited to send or forward emails containing libelous, defamatory, offensive, racist or obscene remarks. If you receive an email of this nature, you must promptly notify your Supervisor.
- Do not forward a message, fully or in part, without acquiring permission from the sender first.
- Do not send unsolicited email messages (aka SPAM).

- Do not send an email message using another person's email account.

Best Practices

CEDARCREEKCHURCH Handbook

CedarCreek Church considers email as an important means of communication and recognizes the importance of proper email content and speedy replies in conveying a professional image and delivering good customer service. Therefore, CedarCreek Church wishes all users to adhere to the following guidelines:

- Write well-structured emails and use short, descriptive subjects.
- CedarCreek Church's email style is informal. This means that sentences can be short and to the point. You can start your email with 'Hi', or 'Dear', and the name of the person. Signatures must include your name, job title, and company name.
- Use spell check before you send out any email.
- Do not send unnecessary attachments. Compress any attachments larger than 10MB before sending them.
- Only send emails in which the content could be displayed on a public notice board. If you would be embarrassed if the email in question were to be displayed publicly in its current state, consider rephrasing the email, or using other means of communication, or protecting the information by using a password (See Confidentiality).
- Only mark emails as important if they really are important.

Personal Use

Although CedarCreek Church's email system is meant for business use, CedarCreek Church allows the reasonable use of email for personal use if certain guidelines are adhered to:

- Personal use of email should not interfere with work.
- Personal emails must also adhere to the guidelines in this policy.
- All messages distributed via the company's email system, even personal emails, are considered to be CedarCreek Church's property regardless of who authored any such emails.

Confidential Information

CEDARCREEKCHURCH Handbook

Avoid sending confidential information by email. If you do, you must secure the information by including it in a Microsoft Word or Excel File and protecting it with a password. Then provide the recipient with the password by means of other communication, for instance by telephone.

System Monitoring

You must have no expectation of privacy in anything that you view, create, store, send, or receive on the company's computer system. Your emails, computers, and devices can be monitored without prior notification if CedarCreek Church deems this necessary. If there is evidence that you are not adhering to the guidelines set forth in this policy, CedarCreek Church reserves the right to take disciplinary action, up to and including termination and/or legal action.

Email Accounts

All email accounts maintained on our email systems are the property of CedarCreek Church. Passwords should not be given to other people and should be changed regularly. Email accounts not used for 60 days will be deactivated and possibly deleted.

If you have any questions or comments about this Email Policy, please contact your Human Resources Department. If you do not have any questions CedarCreek Church presumes that you understand and are aware of the rules and guidelines in this Email Policy and will adhere to them.

DOCUMENT RETENTION

The corporate records of CedarCreek Church (hereafter the "Company") are important assets. Company records include essentially all records you produce as an employee, whether paper or electronic. A record may be obvious as a memorandum, an email, a contract or a case study, or something not as obvious, such as a computerized desk calendar, an appointment book or an expense record.

The law requires that certain types of corporate records are maintained, usually for a specified period of time. Failure to retain those records for those minimum periods could subject you and the Company to penalties and fines, cause the loss of rights, obstruct justice, spoil potential evidence in a lawsuit, place the Company in contempt of court, or seriously disadvantage the Company in litigation.

The Company expects all employees to fully comply with any published records retention or destruction policies and schedules, provided that all employees should note the following general exception to any stated destruction schedule. If you believe, or the Company informs you, that Company records are relevant to litigation, or potential litigation (i.e., a dispute that could result in litigation), then you

CEDARCREEKCHURCH Handbook

must preserve those records until the Legal Department determines the records are no longer needed. That exception supersedes any previously or subsequently established destruction schedule for those records. If you believe that exception may apply or have any question regarding the possible applicability of that exception, please contact the Legal Department.

From time to time the Company establishes retention or destruction policies or schedules for specific categories of records in order to ensure legal compliance, and also to accomplish other objectives, such as preserving intellectual property and cost management. Several categories of documents that bear special consideration are identified below and of documents not included in the identified categories should be determined primarily by the application of the general guidelines affecting document retention identified above, as well as any other pertinent factors.

- a. **Tax Records.** Tax records include, but may not be limited to, documents concerning payroll, expenses, proof of deductions, business costs, accounting procedures, and other documents concerning the Company's revenues. Tax records should be retained for at least 7 years from the date of filing the applicable return.
- b. **Employment Records/Personnel Records.** State and federal statutes require the Company to keep certain recruitment, employment, and personnel information. The Company should also keep personnel files that reflect performance reviews and any complaints brought against the Company or individual employees under applicable state and federal statutes. The Company should also keep all final memoranda and correspondence reflecting performance reviews, and actions taken by or against personnel in the employee's personnel file. Employment and personnel records should be retained for 6 years.
- c. **Board and Board Committee Materials.** Meeting minutes should be retained in perpetuity in the Company's minute book. A clean copy of all Board and Board Committee materials should be kept for no less than 3 years by the Company.
- d. **Press Releases/Public Findings.** The Company should retain permanent copies of all press releases and publicly filed documents under the theory that the Company should have its own copy to test the accuracy of any document a member of the public can theoretically produce against the Company.
- e. **Legal Files.** Legal counsel should be consulted to determine the retention period of particular documents, but legal documents should generally be maintained for a period of 10 years.

CEDARCREEKCHURCH Handbook

- f. **Marketing and Sales Documents.** The Company should keep final copies of marketing and sales documents for the same period of time it keeps other corporate files, generally 3 years.
- g. **Development/Intellectual Property and Trade Secrets.** Development documents are often subject to intellectual property protection in their final form (e.g. patents and copyrights). The documents detailing the development process are often also of value to the Company and are protected as a trade secret where the company:
 - (i.) Derives independent economic value from the secrecy of the information;
 - (ii.) The Company has taken affirmative steps to keep the information confidential.The Company should keep all documents designated as containing trade secret information for at least the life of the trade secret.
- h. **Contracts.** Final, execution copies of all contracts entered into by the Company should be retained. The Company should retain copies of the final contracts for at least 3 years beyond the life of the agreement, and longer in the case of publicly filed contracts.

Electronic Mail. Email that needs to be saved should be either:

- (i) Printed in hard copy and kept in the appropriate file;
- (ii) Saved to a computer file and kept electronically or on a disk as a separate file. This retention period depends upon the subject matter of the email, as covered elsewhere in this policy.
- (iii) By default, certain email folder's contents are auto-pruned according to the following schedule. It is your responsibility to move items that should be kept to a different folder (that is NOT a subfolder of the following) in order to prevent those messages from being pruned. If you are unsure of how to do this, contact your Project Manager or the I.T. Department for assistance.

- Inbox: 3 years
- Sent: 2 years
- Deleted: 1 year

Failure to comply with this Document Retention Policy may result in corrective action against the employee, including suspension or termination. Questions about this policy should be referred to the I.T. Director who is responsible for administering, enforcing and updating this policy.

As employees and representatives of CedarCreek Church, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

It is the responsibility of all Financial Advisory Board members, and employees to comply with the Code and to report violations or suspected violations in accordance with this Whistleblower Policy.

No Retaliation

No Financial Advisory Board member or employee, who in good faith reports a violation of the Code, shall suffer harassment, retaliation or adverse employment consequence(s). An employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment. This Whistleblower Policy is intended to encourage and enable employees and others to raise serious concerns within CedarCreek Church prior to seeking resolution outside CedarCreek Church.

Reporting Concerns or Violations

The Code addresses CedarCreek Church’s Open Door Policy and suggests that employees share their questions, concerns, suggestions or complaints with someone who can address them properly. An employee’s Supervisor may be in the best position to address an area of concern. However, if you are not comfortable speaking with your Supervisor, or you are not satisfied with their response, you are encouraged to speak with either the Senior Director of Human Resources or anyone on the Executive Team you feel comfortable approaching.

Supervisor and Management are required to report suspected violations of the Code to a member of CedarCreek Church’s Audit Committee who has specific and exclusive responsibility to investigate all reported violations. Acting in Good Faith

Anyone filing a complaint concerning a violation, or suspected violation, of the Code, must be acting in good faith and have reasonable grounds for believing the information disclosed indicated a violation of the Code. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly false will be viewed as a serious disciplinary offense.
