

Mission: CedarCreek exists to introduce people to Jesus and the life-changing adventure with him.

Vision: To create communities where everyone knows that they matter.

Strategy: We help people know they matter and experience life change through sharing the spiritual journey and taking next steps. The primary ways we offer a next step:

- Know God - Weekend Services
- Find Freedom - Groups
- Discover Purpose - GrowthTrack
- Make a Difference - DreamTeam

TEAM ROLE

The way the Connect Team makes a difference is by guiding guest that complete week 4 of GrowthTrack to their next step whatever that step may be.

- Pray for prospective guests daily.
- Attend GrowthTrack Week 4.
 - Meet with people, who either during the week 4 experience or after finishing GrowthTrack, are not sure about which DreamTeam to join.
 - Also connect with guest who find it's not the right season for a DreamTeam role and need help taking a different step.
- Post week 4
 - Track guests who chose an area of make a difference to make sure they are getting connected to their chosen team.

HOW DO WE DO THIS

- **God's Heart** – *we want every guest to know they matter to God and to us.*
- **Upbeat** – *we are fun, positive people who make an amazing first impression.*
- **Excellence** – *our attention to detail shows our guest we care.*
- **Seize Wow Opportunities** – *make their experience something they can't wait to share with others.*
- **Take a Next Step** – *we are always looking for opportunities to help guests take a next step.*

SCHEDULE

- GrowthTrack takes place every weekend of the month (unless there is a 5th weekend, which is an "off-week")
- The GrowthTrack Connect Team is responsible to show up 45 minutes prior to week four of GrowthTrack to connect with the GrowthTrack Host and ministry representatives to ensure they are ready to be a part of the experience. If the Connect member is unable to attend, they will communicate that as quickly to the team lead as possible.
- Timing needed will be dependent on the new DreamTeam member and the Connector that is serving.

TEAM RESULTS

GrowthTrack Connectors are a successful when the they connect with guests to insure they have a next step after completing GrowthTrack. This may include providing another step other than DreamTeam and/or walking with them through the beginnings of their DreamTeam experience for the purpose of ensuring it is a good ministry fit.

It's also a success when there is collaboration between the campus ministry leader, the connector and the next steps director towards insuring the best fit for the DreamTeam member. When this happens, guests will know they matter to us and will hopefully take their next step with Jesus.
