

## **Nah, I'm Good Series Vision Doc, Aug 6-Sept 4**

**Series Focus:** We want to help people see that part of our purpose is showing others how trusting Jesus changes everything

**Tagline:**

How to say YES when we'd rather say no

**Feel:** Bible Project inspired, using the book of Jonah and maybe one more story

**Why:** We want to re-ignite a passion for evangelism and help people connect evangelism to their purpose. When we understand that evangelism is sharing with others how trusting Jesus changes everything, evangelism moves from being about how any one person "evangelizes", to about our own stories and using them to impact eternity & invest in others' lives.

**Invite Pitch:** Have you ever stepped into your day and thought, "I'd rather not?" Could be eat the healthy thing, smile at the complaining co-worker, go to the gym, pay the bill. We feel reluctant, tense, even a little angry (ok sometimes a lot angry) that we even "hafta". What about when God asks us to do something we'd rather not? Jonah was an Old Testament prophet who God asked to impact a whole nation of people and his response was "nah, I'm good". You may know Jonah as that crazy story about an encounter with a fish, but as you'll see, its deeper meaning impacts our own "nah I'm good" moments and keeps us moving towards a greater purpose.

**Theme verse:** Jonah 2:9, "But I will offer sacrifices to you with songs of praise, and I will fulfill all my vows. For my salvation comes from the Lord alone."

**Response Stations:** Yes
