

Now What? April 15/16

Standalone Weekend Vision Doc

Now What Focus: To help guests see the vision God has for their life-changing adventure with him

Tagline: Take a step on the life-changing adventure

Feel: Standalone weekend, CedarCreek brand could be used and this type of stand-alone weekend may be done again

Why: Having a stand-alone weekend after Easter provides us the opportunity to share what the life-changing adventure is, some of the why's and what's of our church and cast vision for continuing to take next steps to grow in faith.

Invite Pitch: Maybe church and this Jesus thing are new to you and you're wondering what to do now. Maybe church isn't new, but the way you're encountering Jesus feels new. Or maybe you just want more. No matter where you are on the life-changing adventure with Jesus, each of us need to ask, Now What?
