

Butterfly Effect, May 13-June 4

Series Focus: Help show people that when you live purposefully God uses it

Tagline: The power of a purpose-filled life

Feel: Hopeful, inspiring and impactful

Why: To give voice to people of faith we don't typically hear about so that their lives can inspire, challenge and remind us what following Jesus really looks like

Response Areas: Yes

Invite Pitch: You've heard of the Butterfly Effect. It's sparked by the question-does the flap of a butterfly's wings in Brazil set off a hurricane on the other side of the world? It's the idea that little things have a big impact. The beat of a butterfly's wings may or may not change the world, but living a purpose-filled life shaped by God's Word does. Join us as we explore the lives of 4 people, even if they couldn't see it at the moment, who impact us today because they lived the power of a purpose-filled life.

Key Verse: Luke 8:15, And the seeds that fell on the good soil represent honest, good-hearted people who hear God's word, cling to it, and patiently produce a huge harvest.
