

INTERN

ROLE DESCRIPTION

MINISTRY TEAM: SERVICE PROGRAMMING
CAMPUS OR MINISTRY TEAM: CENTRAL

MINISTRY EXPERIENCE SUMMARY

The Service Programming Intern is a Central Support steward of our mission to introduce people to Jesus and the life-changing adventure with him. Their primary focus is gaining leadership experience in the arts - specifically in creative service programming - while also engaging in ministry elements that best fit their giftings

MINISTRY EXPERIENCES:

Gain a full understanding of these leadership responsibilities and execute per the direction of their supervisor:

- Assist in developing and executing strategies to equip, inspire, and engage Campus Production & Music DreamTeams. This includes:
 - Training Opportunities
 - Culture-Building opportunities
- Execute the creative process and programming of:
 - Adult Weekend Experience (Online and In-Person)
 - HUB Events
 - DreamTeam Launch and Celebration
 - Church-Wide Special Events
- Help carry vision for weekend and event programming and aid in execution.
- Assist in communicating vision and creative direction of weekend and event programming to Campus Arts Directors and Central Music & Production team.
- Build community and cultivate spiritual growth within Central Music & Production team.
- Assist in execution of weekend services at various campuses.
- Attend weekly department meetings.
- Contribute to the Central Support creative process as needed (programming, chord charts, clicks/tracks, etc.).
