

# SOUNDS OF SUMMER

## June 10-July 9, 2023

**Tagline:** 5 ways to make the most of your summer

**Focus:** We want our guests to know that God speaks to our human experience through the Bible, offering wisdom and insights that help us in all aspects of life.

**Feel:** Summertime vibes

**Why this series:** Our goal is for the songs to speak to the human condition, either through lyrics or how it makes us feel, so that we can then show how God's Word has a deeper and better truth and wisdom to offer.

**Response Areas:** No

**Invite Pitch:** Music and summer go hand-in-hand. Sometimes just the first notes of a song make us feel something, while other times we search for one that meets us right in the moment. The power of music is undeniable, it's like a universal language that speaks deeply to our life and experiences. What we love is that God speaks deep universal truth and wisdom into our life and experiences, inviting us into *something better*. So, this summer, take us wherever you are to hear the sounds of summer and unpack the Biblical principles to make the most of your summer.

**Key Verse:** "Better to hear the quiet words of a wise person than the shouts of a foolish king."  
Ecclesiastes 9:17
