

### **CedarCreek Staff Counseling Benefit**

We believe that professional Christian counseling is a helpful part of the spiritual health and personal growth of our staff. To live out this belief CedarCreek offers the following staff counseling benefit for our full-time and part-time staff.

- Select a counselor from the current [CedarCreek Counseling Referral](#) list.
- Attend and pay for the session.
- Submit a copy of the receipt via the reimbursement form and CedarCreek Church will reimburse 50% of the visit (\$75 max reimbursement per visit / \$750 max benefit per year).
