

Unfazed

Sept 9-Oct 8

Tagline: Staying spiritually steady in an unsteady world

Focus: How to recognize and rely on God's Spirit in uncertainty

Feel: Hopeful, confident

Why this series: We want to equip people with the spiritual practices and habits that keep us grounded with God and His Spirit.

Response Areas: Yes

Invite Pitch: What do you do when things feel out of control? Work deadlines, school projects, family needs; not to mention the latest trends, headlines, jargon, technology, politics. What about all the changes we see in our life, our community, our country, and our world? Frankly, it can leave us feeling pretty confused, worried and, somehow, even with all we've seen and experienced, shocked by the things that are happening around us. So how do we cope? What strategies work? And who do we listen to now? Join us as we explore the spiritual yet practical ways God provides to help us remain unfazed.
