

## Updated Language for Relaunching Physical Services

### Launching Physical Services - Kids and Students Update

#### **Bottom-line:**

CedarCreek is relaunching physical services on August 8<sup>th</sup> & 9<sup>th</sup> without in person kids or students offerings.

#### **Updated Language:**

The typical in-person experiences for kids and students at CedarCreek incorporate things like dynamic worship, small group discussions and a variety of other fun activities that put all participants in close proximity with one another. Since we're not currently able to recreate these experiences with excellence, while also honoring social distancing and mask requirements, we are pausing on reopening CedarCreek Kids and CedarCreek Students at our weekend services. While we continue to consider all options for gathering in-person, we still have opportunities to connect through online large and small group options for kids ([cedarcreek.tv/kids](http://cedarcreek.tv/kids)), and various group opportunities (online and in-person) for students ([cedarcreek.tv/students](http://cedarcreek.tv/students)).

### Launching Physical Services – Face Mask Update

#### **Bottom-line:**

CedarCreek is relaunching physical services on August 8<sup>th</sup> & 9<sup>th</sup>, and face masks will be required to be worn at all times.

#### **Updated Language:**

If people don't want to wear a mask for any reason, that's okay and they are welcome to join us online.

#### **Helpful Language:**

- Help us stay open. Wear a mask.
- If masks work they save lives. If they don't, they are a mild inconvenience.
- We are working to create a safe environment where people can be introduced to Jesus and the life changing adventure with him.
