

VISION DOC: Easter 2020 1:1

Bottom Line

- We will give away \$1 for every person who experiences Easter online between Friday, April 10th and Sunday, April 12th.
- God has been generous to us through the people who support the mission of CedarCreek. We are eager to deploy resources (people, energy, and money) on behalf of CedarCreek in order to make a difference...especially as we celebrate Easter!

Goals

- We are primarily interested in making a difference in our communities by meeting real needs in this season
- We want to introduce more people to Jesus through the online Easter service. The opportunity to support a local food need simply by attending a service online could be an incentive for more people to invite others to Easter, and for more people to actually experience an Easter service.
- Money will be given to organizations in Hancock County and in the Toledo area that are actively meeting food needs in this season.
1/3 of funds to The United Way, Hancock County to support YMCA Feed a Child
1/3 Given to The Tabernacle to provide groceries to families in the heart of Toledo
1/3 Given to The United Way, Toledo to help with their meal distribution to kids in Toledo Public Schools

Broad FAQs

- Why did we select these 3 organizations to support?
We selected organizations with two filters in mind:
 1. They are actively meeting food needs in this season
 2. We have relationships with their leadership
 3. They have clear and impactful strategies for making a difference
 4. They are impacting communities in Northwest Ohio
