Font Values:
 0 = default zpl font
 W = Roc000
 X = ccRock01
 Y = ccRock02
 Z = ccRock03

Note: ~ and ^ are ZPL operators and as such, need coded as hex. Instead of ^FD~ or ^FD^, use ^FH^FD_7e or ^FH^FD_5e respectively. Also, the default font does not include a \ item and instead outputs a cents icon.
